Textbook: Mathematical Statistics by Wackerly, Mendenhall and Schaffer, 7th ed.

Material to be covered: Chapters 5-10

Homework Assignments: Problems will be assigned periodically and will be due as announced in lecture. No late homework will be accepted for any reason. Homework should be neatly done on ruled paper (no spiral paper) and all answer sheets must be stapled together. Homework carries a total of 100 points. Help sessions for these assignments will be scheduled outside of class times.

Pop Quizzes: Unannounced pop quizzes will be given in lecture. After dropping the three lowest scores, pop quizzes will be worth a total of 100 points. If you miss a quiz because you were late to lecture or missed the lecture, it will be one of your three lowest scores that are dropped. A make-up pop quiz will only be given if you have already missed three quizzes and have documented excuses for all of them.

Exams: Two 50-minute exams, worth 100 points each, and a comprehensive final exam worth 150 points will be given. Dates for the exams will be announced in lecture. The final comprehensive exam is of 110 minutes duration and it is scheduled by the University on **Monday, May 5, Noon – 1:50 p.m.**

Grading Scale:

A :	90% and up
B :	80% - 89%
C :	70% - 79%
D :	60% - 69%
F :	Below 60%
