

APPLICATION FOR THE CLARENCE ETHEL HARDGROVE MATHEMATICS SCHOLARSHIP FOR INCOMING FRESHMEN

Scholarship Criteria

- a. Initially the preferred recipient must be a full-time, degree-seeking, undergraduate student in the first year of study at Northern Illinois University, majoring in mathematics. A first year student may be a **incoming freshman**.
- b. The recipient must be in good academic standing with the University and have an excellent prior record in the study of mathematics. The excellence of a student's prior record will be evaluated based on such criteria as the **strength of prior coursework in mathematics, advanced placement coursework,** other academic performance, and **recommendations received on behalf of the applicant.**
- c. The scholarship **may be renewed** for subsequent years provided the student maintains an excellent record and is making satisfactory progress towards a baccalaureate degree in mathematics.

Value of the Scholarship: \$1000 Each Year. Two Persons for Each Year.

Please Type or Print

Name : _____ **ZID:** _____

Street Address: _____ **City/State/Zip:** _____
