Math 110 Spring 2014
Sections A, B, and C

GRADING

• 400 points 4 proctored exams taken on a specific date in the Math Lab
• 150 points 15 quizzes (completed in MyMathLab)
• 100 points Math Lab participation
• 150 points Homework Assignments (completed in MyMathLab)
• 250 points Comprehensive departmental final exam

Total of 1050 points.

The grading scale will be at least as generous as:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Points Range</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>945 – 1050 points</td>
<td>(90-100%)</td>
</tr>
<tr>
<td>B</td>
<td>840 – 945 points</td>
<td>(80-89%)</td>
</tr>
<tr>
<td>C</td>
<td>735 – 839 points</td>
<td>(70-79%)</td>
</tr>
<tr>
<td>D</td>
<td>630 – 734 points</td>
<td>(60-69%)</td>
</tr>
<tr>
<td>F</td>
<td>Under 629 points</td>
<td>(Less than 60%)</td>
</tr>
</tbody>
</table>

Exams

Closer to each exam date, there will be a sign-up process where each student chooses a time on the exam date to take the exam in the Math Lab. The exam will be proctored in the Lab and taken via MyMathLab. You will be provided a packet of paper on which to work out the problems. You will be allowed to use a standard non-graphing, non-texting calculator on these exams. You will need to bring your student ID and a pencil to the exam. Failure to arrive on time for your scheduled exam time will result in a zero for the exam.

Make-up exams will be given ONLY in the event of a documented illness or serious emergency. All make-up exams will be resolved by the end of the semester.
Quizzes

Unlike the other Math110 sections, you will NOT be able to drop any quiz scores. However, you will get two attempts on each quiz and the higher score will be accepted. **IMPORTANT:** you will NOT have access to a quiz if you do not complete the corresponding homework assignments with a proficiency of at least 80% by the due date. Quizzes can be completed outside of the Math Lab but it is recommended that you complete them in the lab. **IMPORTANT:** you must complete a quiz in ONE sitting. If you stop working on a quiz before you submit your answers, you will be blocked from working on anything else in MyMathLab until you contact your instructor. Quiz deadlines can be seen on MyMathLab and no late quizzes will be accepted.

Participation

For each week of the semester, you are expected to spend at least 3 hours in the Math Lab (Graham Hall room 235). You should spend this time working on the homework assignments and seeking help from the Math Lab attendants when needed. There will also be mini-lectures given during the week that can be attended. Your lab time will be measured by swiping your NIU OneCard, so always bring that and your math 110 notebook to the lab. Any extra hours (over 3) spent in the lab will not carry over to the next week. Failure to follow the rules of the Math Lab can result in being forced to leave the Lab, a loss of participation points or further disciplinary action.

Homework

Homework assignments will be taken via MyMathLab. You can rework homework problems until you get them correct. Deadlines for homework assignment can be seen in MyMathLab and no late homework will be accepted.

Final

The final is comprehensive and multiple-choice (taken via scantron). The final exam is Tuesday May 6th from noon to 1:50 pm. Location: TBA.

Instructor Information

Instructor: Lance Vobornik
Email: vobornik@math.niu.edu
Office: Watson 329
